

NEW

Sustainable dishcloth holder for your kitchen

PRODUCED IN
DENMARK

Sustainable

Made from 98% recycled end-of-life marine waste, including fishing nets, ropes and trawls.

Functional

Made in a minimalistic and functional design that appears as an integral part of the tap.

Hygienic

With a kludd dishcloth holder for your kitchen sink, your dishcloth dries faster, reducing bacterial growth and odours.

Features

- Easily fitted to the tap without the need for tools
- Fits tap diameter Ø22 - 28 mm
- Made from 98% recycled end-of-life marine waste, including fishing nets, ropes and trawls (recycled plastic)
- Designed and produced in Denmark
- Protected design
